Ms. Litton:

This letter responds to your April 26, 2019 Freedom Of Information Act (FOIA), Case number DLA-LANDM-2019-002679 for, “a copy of any DLA form 339 requested over the last five years for NSN 1650-00-187-1370”.

Pursuant to your request, we have conducted a search on your behalf. Our agency’s subject matter expert personnel’s searches found no records responsive to your request.

National Stock Number (NSN) 1650-00-187-1370 currently has a Acquisition Method Code/Acquisition Method Suffix Code (AMC/AMSC) of 3/Q.

- AMC 3: Acquire, for the second or subsequent time, directly from the actual manufacturer; buying direct.
- AMSC Q: The Government does not have adequate data, lacks rights to data, or both needed to purchase this part from additional sources. The Government has been unable to economically buy the data or rights to the data, although the part has been undergoing full screening for 12 or more months.
- Because of the 3/Q stauts, this NSN product does not have a DLA Form 339 history.

This agency decision concludes the processing of your request(s) referred to above. You have the right to appeal this no records response. You have the right to seek dispute resolution services from either the Office of Government Information Services (OGIS) or DLA FOIA Public Liaison. As part of the 2007 FOIA amendments, the OGIS was created to offer mediation services. Similarly, as part of the FOIA Improvement Act of 2016, DLA established a FOIA Public Liaison to offer mediation services. Both the OGIS and the DLA Public Liaison will assist in resolving disputes between FOIA requesters and DLA as a non-exclusive alternative to appeal. Using the OGIS or the DLA FOIA Public Liaison does not affect your right to pursue an appeal, nor does it stay the appeal clock. You may contact the OGIS or the DLA Public Liaison in either of the following ways:
